STATE OF THE NATION

“In all Debates, let Truth be thy aim, not victory, or an unjust interest”
The ever disputed and controversial, yet an essential and important regime of the state is the Law making body. The “Model Parliament” is all about that. It brings you the same, with the right set of circumstances, where one keeps a stand and the other opposes the same. New ideas and innovations make their way through, and irradiate. The title “STATE OF THE NATION” would be the most appropriate to address this event. Let the best of the leaders bring the order from the chaos, witnessing a brawl of words and wit. Are you willing to take the chance of risking it all and grabbing a win or the failure of losing it all, which comes there after!
“DO YOU HAVE WHAT IT TAKES TO BE THE VOICE OF THE NATION?”
