Synergy' 24

INTRODUCTION

The Department of Economics brings you SYNERGY'24, 'Empower Ideas, Enrich Economies'. This theme encapsulates a forward looking vision- one where ideas are more than sparks; they are the engines of economic growth and societal transformation.

By empowering ideas, we are creating a culture where creativity, curiosity and innovation are celebrated as the bedrock of sustainable progress. This transformative program brings together visionary thinkers, innovators and leaders to foster a collaborative ecosystem that cultivates creative solutions for economic growth, encourages entrepreneurial spirit and risk taking, promotes sustainable development and bridges the gap between theory and practice. This theme simply shows that when we invest in fostering unique perspectives and innovative thinking, we unlock new pathways to economic prosperity.
